

## PRESIDENT

Crystal Green  
cowgirl\_73@msn.com

I would like to take this opportunity to welcome back our returning students and families to Elk Plain and also extend a very heartfelt welcome to our new Elk Plain families. I look forward to making 2015-2016 a fun and productive year. Our students are so fortunate to be enrolled in a school with an outstanding administration and exceptional teachers.

To the PTA Executive board, committee chair leaders and all of our volunteers, I look forward to working with all of you this school year, some for the first time. I know we will have a great year because of the dedicated and amazing volunteers we have on the PTA.

Every year I hear a few parents say they don't feel connected to the school or know what's going on. With busy schedules all around, I understand it's not easy to keep on top of all the activities. The PTA Board will be doing our best to communicate school activities more regularly and concisely. We are planning regular emails and Facebook posts, with short reminders of what's happening in the school. You can also check our website [www.epsocpta.org](http://www.epsocpta.org).

An effective and successful PTA requires support and involvement of the parents of our students. It is vital. Your first opportunity to show support is to become a member of the EPSOC PTA. We have created a yearbook/membership discount good through the middle of October. We encourage each of you to show your commitment by joining.

We have lots of fun activities planned for the year, but we cannot do it without our wonderful volunteers. Many parents feel that they cannot participate in the PTA because they cannot attend meetings or be at school during the day. Whether you have 30 minutes or a couple of hours in or outside of school hours, your ideas, your time, and your talents are truly needed. There are endless possibilities in ways you can help. Research shows that students whose parents are involved in their education have better grades and fewer discipline problems. We promise that the time you give to the PTA and the school will be worth your while—and fun! Please consider volunteering, it really does make a difference in the lives of all our children!

We would like to thank you in advance for your support. If you have any questions, please do not hesitate to contact us. Have a wonderful school year and we look forward to seeing you at our PTA potluck in September.

Sincerely,  
Crystal Green

**DIVERSIONS** *from Mrs. Park*

**The Passing of Summer**

It is with a heavy heart that I announce the passing of Summer 2015. We all knew, and loved, Summer 2015. There is a bittersweet part to its going, even though we knew that Summer's time had come. Summer 2015 was a late bloomer. We wished it had matured earlier, as many parents of such children do. And when it did arrive we had to wait a time before we could partake in Summer 2015's playful side.

As with so many individuals, Summer 2015 meant different things to different people. Many enjoyed Summer's warmer nature and took Summer to the pool, lake, ocean, or river. Some of us saw Summer 2015 as an irritating neighbor who kept blowing things into our yard and never picking anything up. There are always those who never understand Summer's sense of humor and are continuously looking to Winter or Spring for sympathetic support. I always believed that Summer 2015 loved to bask and brighten everyone's outdoor activities and events. Summer particularly enjoyed weddings because then Summer could truly shine, kissing the bride on the cheek.

For me Summer 2015 was the best traveling buddy anyone could have. We traipsed across the Pacific Northwest, traveled to Yellowstone, drove to Minnesota and California. All of Summer's dazzling sunlight allowed for observing a grizzly bear along a Yellowstone road, blazing sunsets across a lake, hours of outside reading, and seeing the world go by as Summer and I drove across the landscape.

We even ventured, Summer 2015 and I, on a solo journey to London, England, where we used all Summer's daylight to partake of endless sights. Together, we walked through Kensington Gardens, where J.M. Barrie's story of a lost boy who finds Neverland begins, and is the location of Peter Pan's statue. Due to Summer 2015's long days I was able to spend 15 hours taking the train, and then a car, to behold Stonehenge, Oxford, and an original copy of the Magna Carta. I will never forget Summer 2015 and all the good times we enjoyed.

With the passing of Summer 2015 we must acknowledge the birth of someone else, Autumn. Autumn 2015 sets the stage for the renewal of the New Year. Autumn isn't about things falling down but rather a starting point for the rest we deserve before the onslaught of Winter.

Ah, Summer 2015, I knew it well. The remembrances of this particular Summer will stay with me forever although it might fade from other's minds. Summer 2015 and me, we were buds ~ close friends who experienced many a happy day. It is with melancholy feelings I note the passing of Summer 2015 ~ joyful in having known this wonderful Summer but sad to let it go.

I wonder what Autumn will be like?

Here's to finding out,  
Georgina Gryc Park

*What Shall I Pack in the Box Marked "Summer"?*

- A handful of wind that I caught with a kite*
- A firefly's flame in the dark of the night*
- The green grass of June that I tasted with toes*
- The flowers I knew from the tip of my nose*
- The clink of ice cubes in pink lemonade*
- The fourth of July Independence parade!*
- The sizzle of hot dogs, the fizzle of coke*
- Some pickles and mustard and barbecue smoke*
- The print of my fist in the palm of my mitt,*
- As I watched for the batter to strike out or hit*
- The splash of the water, the top-to-toe cool*
- Of a stretch-and-kick trip through a blue swimming pool*
- The tangle of night songs that slipped through my screen*
- Of crickets and insects too small to be seen*
- The seed pods that formed on the flowers to say*
- That Summer was packing her treasures away.*

**HELP WANTED!**  
**PTA REFLECTIONS CHAIR**

*and*  
**SCHOLASTIC BOOK FAIR CHAIR**

Reflections is the annual arts competition sponsored by the National PTA. Chairperson would send home information to families about this year's theme, collect the entries and submit winning EPSOC art to district level. Deadline is usually mid November.

Scholastic Book Fair chairperson organizes and oversees the book fair 2 weeks per year (Fall and Spring).

Contact Crystal Green for more info: [cowgirl\\_73@msn.com](mailto:cowgirl_73@msn.com)

**STUDENT STORE** Gina Sawyer  
VH [ginasawyer@comcast.net](mailto:ginasawyer@comcast.net)

We are excited to open student store and cannot wait to see all of you! More information on our opening date to follow.

In order to make this year's store a success, we are in need of volunteers. Due to lack of help last year, we found it difficult to open consistently for our students and had a hard time getting through the lines. This year we would really like to be open every week. In order for that to happen we are desperately seeking volunteers. Please contact Gina Sawyer and put yourself on the schedule if you are able to help.

**SPIRIT WEAR** Naoko Geforos  
253-314-8424 (text), [witnit@msn.com](mailto:witnit@msn.com)

Our spirit wear is back to the EPSOC circle design! An order form will go home by the middle of September. We are still selling spirit wear with the old design (graffiti) during September only.

**MUSEUM DAY LIVE!**  
**SATURDAY,**  
**SEPTEMBER 26TH, 2015**

This is an annual event hosted by Smithsonian Magazine in which participating museums across the country open their doors for free to anyone and a guest with a Museum Day Ticket! Go to: [www.smithsonianmag.com/museumday](http://www.smithsonianmag.com/museumday) or the Smithsonian Magazine webpage to print your ticket.

Following are just a few of the participating area museums: The Lewis Army Museum, MoHi, Museum of Flight, Tacoma Art Museum, Museum of Glass, and Washington State History Museum. For the complete of participating museums in the area go to the Smithsonian website.

**SUSTAINABILITY** Christine Link  
VH [christinelink@yahoo.com](mailto:christinelink@yahoo.com)

My has the Sustainability Committee taken off! What started as a commitment to recycling plastic water bottles from PTA events has turned into a whole-school, student-led endeavor. Not only are we increasing our recycling at PTA events but we are beginning the Terracycle collection process during lunch and at home.

We have learned a lot about Terracycle since the Sustainability Committee was approved last May. We have confirmed that we can collect any brand of brigade item (see list below) and we can send as many shipments as we like that meet the minimum weight requirement. Each shipment earns the PTA money or credit towards cool upcycled Terracycle products.

Besides earning money for the PTA, there are so many other reasons to take on this project including increasing awareness of waste production, reducing our carbon footprint and giving our students a place to take on leadership roles. I can't wait to get started!

Are you a family who prepares zero-waste lunches? You can still contribute your recyclables from home (how-to flyer coming soon), but we plan to have rewards for these students, too. We are also looking for parents who can help during lunch collection 2 or 3 times per year or during evening events. All time spent goes toward volunteer hours!

Now Collecting

- drink pouches
- fruit puree pouches
- foil-lined energy bar wrappers
- cereal bags and plastic cereal box liners
- chip/snack bags (any size)
- toothbrushes, toothpaste tubes, floss boxes, deodorant bottles and soap packaging (all with caps)

**BOX TOPS, ETC.** Gaby Makinster  
[makinster1@comcast.net](mailto:makinster1@comcast.net)

This year we will continue to collect box tops and soup labels with one great change: soup labels now allows us to buy \$25 visa cards for our teachers using banked points! Yaaaahoooo!

**\$25 Visa Cards**

We are also ready to begin two new points programs: Tyson A+ Project and Coke Rewards. For Coke Rewards, set up an account then enter your lid codes and donate your points to the school. We can then purchase equipment and/or supplies for our school with banked points. The same goes for Tyson A+ but they pay a whopping .24 cents per label!

Don't forget to use your Target REDcard and link it to EPSOC PTA. Target now offers a RED debit card option, too.

Create an account at [escrip.com](http://escrip.com) and select EPSOC PTA as your school. If you already have an account you will need to renew your membership on the website annually. Sadly, Safeway no longer participates in escrip but there are dozens of other stores who do, including Amazon. **Begin your purchasing session at escrip.com** then click on Amazon (or whichever retailer you choose) then proceed with your order as usual. When you are finished, a percentage of your purchase total goes back to the PTA. The hardest part is remembering to go there first!

Think eScrip before you buy!

**PICTURE DAY** Krystal Ripka  
VH [kmripka@hotmail.com](mailto:kmripka@hotmail.com)

Fall picture day is October 6th. Volunteers who can run and move fast wanted!

**YEARBOOK PHOTOS EMAIL**  
[epyearbook@hotmail.com](mailto:epyearbook@hotmail.com)

The yearbook committee is looking forward to using great pictures taken by you this year! That's why we've created an email account (above) for anyone to send in photos from any function--classroom or schoolwide. No guarantees everything will make it in, but we'll do our best to include some of the submissions! Please send at the highest resolution possible for best quality. Some photos taken on phones, and those transferred from Facebook pages are often not usable due to quality. We are always in need of theater production photos, and Bethel Rec TEAM photos. Ready, set... send in those photos!
