

The Seattle Seahawks and CenturyLink Field recognize the dedication and hard work of Elk Plain K-8 students, staff and parents in your efforts to collect over 68,000 pieces of recycled goods this year! We are so proud of your commitment to reduce waste and protect our environment.

Just like every single one of our fans contributes to our team victory, every single recyclable item you collect contributes to the betterment of our planet.

As you near the halfway point of your collection goal, know that 12s everywhere support your efforts and believe in your ability to collect an item for every single seat in our stadium.

You have already accomplished a lot, but there is still more to do. As Coach Pete Carroll says, "Can we do this better than it has ever been done before?"

Thank you for being loyal 12s!

Sincerely,

Mike Flood
Vice President of Community Relations & Special Projects
Seattle Seahawks
