KEEP COLLECTING!

You can save up and bring them to school in the fall, or look for a FB announcement for a mid-summer Terracycle drop off day! We are collecting everything except for the lunchable packaging.

SUMMER TIP: storing drink and puree pouches emptied and uncovered reduces odors!

Thank you Mountain Highway Walmart for the generous Community Grant! We can now continue to ship chip bags to TerraCycle at no cost for the next 2 years!!

All of our recycling work has earned EPSOC a bronze certification with Washington Green Schools! There are only a handful of schools in Pierce County with this distinction. We are proud to join the ranks!

U.S. DEPARTMENT OF EDUCATION

Our Green Team also played a part in the district's Green Ribbon School award from the U.S. Department of Education. Only 17 districts throughout the country were awarded.
